Why Sunny Mansfield

Sunny Mansfield is a free online paper with only good news from Mansfield and Richland County, Ohio: neighbors helping neighbors, new shops, student and athlete wins, community events, Buy & Sell, and celebrations of life.

Why it works for local businesses

- **Safe next to your brand.** No crime, crashes or arguing. Your ad never sits beside bad news.
- **Made to be shared.** Every story has a Facebook share button and its own framed post image. People share good news about their kids, their church and their street, and your ad travels with it.
- **Local only.** Every reader is here for Richland County. No wasted national clicks.
- **Updated all day.** New stories arrive every 30 minutes, so people come back.
- **Honest labels.** Every ad says Advertisement or Sponsor. Readers trust that, and sponsors never decide what we cover.

Who reads

Families, grandparents, students, parents of athletes, church members, small business owners and anyone who loves the county. We share current reader and follower numbers with every sponsor before they buy.

Ad requirements

1. **Labeled, always.** Every ad says Advertisement or Sponsor. Ads never look like stories, and sponsors never decide what we cover.
2. **Local and family friendly.** We welcome Richland County businesses, nonprofits, churches, schools and events. No alcohol, tobacco, vaping, cannabis, gambling, weapons, adult content, payday or title loans, or get-rich offers.
3. **True and fair.** No false claims, fake buttons, before-and-after health promises or prices you won't honor.
4. **Political and issue ads.** Accepted only with a clear “Paid for by” line, as Ohio law requires, and only for local races and issues. We may decline any political ad.
5. **Your files.** JPG or PNG, under 1 MB, at the sizes listed. Keep words big and few; most people read on a phone. Send a short description of the image for people who use screen readers.
6. **A working link.** Every ad links to your website, Facebook page, menu or event page. The page must load on a phone.
7. **Timing.** Send files three business days before your start date. Ads run by the month and stop on the last day you paid for.
8. **Payment.** Prepaid by the month, cancel any time before the next month. Founding sponsor prices are locked in for a year.
9. **Our call.** We can turn down or take down any ad that doesn't fit these rules. If we take one down, we refund the unused days.
